Training Announcement

Subject: Announcement of 3-Day Training Program on Operation, Maintenance & Testing of Transformers at BHEL Jhansi

Dear Sir/Madam,

We are pleased to announce that **Bharat Heavy Electricals Limited (BHEL), Jhansi** will be conducting a **3-day Technical Training Program** on the **Operation, Maintenance, and Testing of Transformers (Power, Rectifier, Furnace, Dry type, Traction and Instruments)** at its Transformer Works, Jhansi. The program is designed to enhance customer awareness and technical competence in field operations related to power transformers.

Training Schedule

Date	Module
19.08.2025	Engineering / Product Familiarization
20.08.2025	Manufacturing & Testing Processes
21.08.2025	Operation, Maintenance & Erection Activities

Venue:

Bharat Heavy Electricals Limited

Transformer Plant, Khailar, Jhansi – 284120, Uttar Pradesh, India

Scope of BHEL

- Technical training sessions by experienced professionals from relevant departments includes visit to our facility
- Pick-up and drop facility from **Jhansi Railway Station (Station Code: VGLJ) to BHEL works**
- Boarding and lodging arrangements at the **BHEL Guest House**

Training Charges

- **₹30,000 per participant per day** (exclusive of applicable GST)

Interested organizations/participants are requested to confirm participation and share the list of attendees **at the earliest**, and **no later than 7 days prior** to the commencement of the program, to facilitate smooth arrangements.

We look forward to hosting the team at BHEL Jhansi and providing a technically enriching learning experience.
